SECOND INFORMATION DISCLOSURE STATEMENT

Sir:

It is noted that the return postcard received from the U.S. Patent and Trademark Office in connection with the above-identified application gave the application number as 10/729,007; that application number, however, is not accepted by the PAIR system. It is therefore surmised that either a different application number has subsequently been assigned to this application, or that the application has not been associated with the correct customer number. The Office is accordingly respectfully requested to issue an official Filing Receipt in due course, with the correct application number, and in the mean time to be sure that the application is associated with our customer number, and to provide confirmation to Applicants' attorneys that that has been done.

In compliance with the duty of disclosure under 37 C.F.R. § 1.56 and in accordance with the practice under 37 C.F.R. §§ 1.97 and 1.98, the Examiner's attention is

directed to the documents listed on the enclosed Form PTO-1449. No copies of the listed documents are enclosed, as they are both U.S. patents.

It is respectfully requested that the above information be considered by the Examiner and that an initialed copy of the enclosed Form PTO-1449 be returned indicating that such information has been considered.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address given below.

Respectfully submitted,

  
Attorney for Applicants
